

Account Activation Form

According to our records, your account(s) hasn't had any activity for an extended period of time and has become, or will soon become, inactive. Initiate a transaction on the account before it goes inactive to keep it active.

If your account is already inactive, submit the completed form below to reactivate it, or complete the form electronically through online banking. To locate the form in online banking, click the drop-down next to your name, choose Settings, then Secure Forms. As a reminder, savings accounts become inactive after a period of 24 months and checking accounts become inactive after 12 months if you do not make any deposits to or withdrawals from the account. Inactive accounts remain subject to service fees.

Please deliver the completed form to any MidWestOne location or mail it to:

Attn: Service Center, MidWestOne Bank, PO Box 1700, Iowa City, IA 52244-1700

1 Tell us about you

Name: _____

2 What account(s) are affected?

Please include only the last four digits of your account number

Account # _____

Description: _____

Account # _____

Description: _____

3 Do we need to update your address?

☐ New Mailing Address

☐ New Physical Address

☐ No Address change needed

By signing, you acknowledge:

You would like to keep the account listed above active. Once we receive this acknowledgement, we'll reset the activity timeline and your account will remain active for another 12 or 24 months, depending on the account type.

Or,

You have provided instruction to your banker to close the account and you would like the inactive dormant status removed from the account to proceed with the closing.

4 Authorization

Signature: _____

Date: _____

For internal use only: Signature verified against Account Agreement by: _____
