

Step By Step

Upload Your MidWestOne Card to Samsung Pay

Your card design may be different than shown.

On your mobile device, download the Samsung Pay app and open:

- Tap on Add card
- Click on Add credit/debit card
- Enter the card number, expiration date, CVV, and your name and billing address. Tap Save.
- Agree to all Terms of Service
- Click Call bank to verify your card. You will be asked for additional information to verify your identity and your card
- Your card and last four digits of the card will appear. Click to set your MidWestOne card as the default card in your wallet.s

You're ready to use your card for transactions.
